

Upload Player Photo

CJSA Standard

Player/coaching photos are used for identification purposes. Photos should be similar to those used for passports and legal IDs.

To help clarify the criteria, these are the instructions found in the soccer connect software when uploading photos.

Do	Don't		
 <p data-bbox="469 1058 760 1182">Your photo should be clear, centered, and a front view of your face. Make sure your eyes are open.</p>	 <p data-bbox="894 1050 1062 1241">Minimize the shadows by photographing with a light in front of you, not behind you.</p>	 <p data-bbox="1096 1050 1271 1209">Your face should be most of the frame. It must be above the shoulders.</p>	 <p data-bbox="1289 1050 1446 1178">Sunglasses and hats will not be accepted. No funny faces.</p>

You should see a page that looks similar to this (this is a test account I have on the system).

Click on the Pad and Pencil icon next to the player. You should see a page that looks like:

Click on the grey Upload Picture Profile circle. You will be sent to a page that looks like”

You can either choose your picture photo or drag it onto the page. (It must be either a jpeg, jpg, gif, or png format). You will then have a page that looks like:

Adjust the square over the photo and click on Save Photo.
